About US

would like to share with you a rare experience provided by a "HUMAN WONDER" who, despite total paralysis of his whole body, has remained undaunted for the last ten years and more, and had striven to help the active, inspiring social service.

In 1981, When he was only 27 years and a desperate cripple of six years, who had to be helped by others around him for every little movement of any of his limbs, He had the courage of conviction, injected and inspired by his mentor Dr.Amar Singh, and dared to establish a service organisation and christened it as "AMAR SEVA SANGAM" by way of paying his humble but sincere gratitude and tribute to the Doctor who has helped him out of the jaws of death.....

I could well see for myself how this Ramakrishnan, even as he is progressing with faith and determination in his endeavors, is ever more dedicating himself to the upliftment of the poor and the disabled so that they may lead their lives without being a burden on others!

Interestingly, another crippled young man, Sankara Raman, Chartered Accountant with a sizeable practice of his own in Madras who happened to visit Ayikudy in January 1992, out of curiosity to see for himself what Ramakrishnan was doing there, lost no time in bidding good-bye to his lucrative auditing practice and settled down in Ayikudy to help and work with Ramakrishnan. Together they are striving to build Amar Seva Sangam in the true spirit of service to humanity.

May I also hope that Ramakrishnan and Sankara Raman will go on and on undaunted with the good and noble task of inspiring us with their own dedication and selfless service!

The work of Amar Seva Sangam carried out under the inspiring leadership of Pujya Shri S Ramakrishnan and Shri S Sankara Raman has now received world wide attention. The organization was recently honoured with the Jindal Prize for 2012. This Prize was presented by His Holiness Sri Sri Ravi Shankar at New Delhi. The work of the Sangam is expanding and it is helping to bring light and cheer in the lives of young scholars who had lost hope in their lives because of physical disabilities. The Sangam has been having a transformational role in the lives of the physically challenged children. Amar Seva Sangam has become the flagship of the global movement for converting physical challenge into an opportunity for happy living and significant contributions to family and country. It is a real privilege to be associated with this unique organization as its Chief Patron.

Our

VISION

It is our vision to establish a Valley for the Disabled, whereby physically/mentally challenged persons live in a pro-active society where equality prevails irrespective of physical, mental or other challenges with the rest of the society. It is a futuristic vision whereby Amar Seva Sangam plays the role of an enabling agent to get the physically/mentally challenged “equality of status, equality in opportunities and equality in access”. It is a society where people are identified as differentially abled.

MISSION

AMAR SEVA SANGAM's mission is to empower the disabled citizens by establishing a **‘Valley for the Disabled’** as a Rehabilitation and Development Centre for the region and developing models for self-help initiatives by integrating the disabled individuals with the society for improved living conditions in the village.

QUALITY POLICY

Amar Seva Sangam is committed to satisfy physically challenged service users by empowering them to have an equal participation in the society. This is achieved by providing them the appropriate rehabilitation services of excellent Quality and continuously improving the same.

Focus area to achieve the above are:

1. Work closely with society, various NGOs and government organizations.
 - a. To enhance awareness on the need and means of empowerment.
 - b. To enhance the service facilities in the organization for rehabilitation to cope up with various challenges of all disabilities.
2. Make the organization as a “System driven one” by ensuring effective implementation and maintenance of Quality Management System and continuously improving the same.

Improving the quality of rehabilitation services by enhancing the competence of the human resource personnel in the organization.

Amar Seva Sangam has successfully completed 30 years of devoted and dedicated service for the cause of the differently abled by providing shelter, medical help, vocational training, new avenues of employment, rehabilitation besides supplying necessary mobility appliances.

Started in 1981 with a handful of students Amar Seva Sangam had reached new heights and today our Sangam is a much sought-after institution by the disabled and spinal injured patients and has become **a premier institution in the field of Disability Management in the country**. All these were possible only because of the support and patronage of well wishers who stood by our side during times of crises. Words are insufficient to express our gratitude to them.

Due to effective cost control measures, strict surveillance and constant monitoring, we were able to produce much better results

E for the year 2010-11 when compared to the two previous years. The working results of 2011-12 are much satisfying. We are stepping up our vigil and monitoring to continue to obtain still better working results.

C Thirty years back the Sangam was started with a few children with disabilities and in 1990 the new initiatives exclusively for the development of the disabled persons began. Our main goals were to help the differently abled, give them medical assistance, provide them good education, help the rural poor, orphans and aged besides promoting family/women's welfare. But subsequently we gradually increased our area of activities to cater to the necessities of more and more disabled.

A And today after years of concerted efforts and committed service we are happy to record the following statistics as on 31.03.2012:

No. of children in the Home	...	58
No. of children who attended the integrated school	...	899
No. of children who attended the Special School	...	76
No. of patients treated in the Medical Testing Unit	...	736
No. of services attended during the year	...	30,838
No. of villages adopted by the Sangam	...	approx. 800
No. of villagers benefitted through the Sangam	...	14,000+
No. of Self Help Groups formed	...	334
No. of persons receiving acute care for Spinal Injuries	...	10

F We have raised our performance to prove to the people at large that disability is not a constraint but only a condition that is to be understood and lived with. The total number of persons with disabilities who have got direct rehabilitation since inception is 1102.

R We continue to receive awards and recognitions for our distinguished services. We strive hard to get grants and contributions from individuals, NGOs, Trusts and Corporates both in India and abroad.

AMAR SEVA SANGAM – *Memoirs*

Amar Seva Sangam was founded in Ayikudy in 1981 – the International Year for the Disabled, by **Shri S. Ramakrishnan** with only a few students. His ambition was to become a Naval Officer. He cleared many of the physical fitness tests at Bangalore; but unfortunately in the last round of the test he fell down and broke his spine. He became a quadriplegic and after intense treatment both at Bangalore and Pune (in defence hospitals) returned to Ayikudy. He decided to start a school for the Rehabilitation of the disabled children. He christened the Organization as Amar Seva Sangam as a respect

to his Doctor/mentor Amarjit Singh Chahal. Bharat Ratna Late Shri C. Subramaniam was the first Chief Patron and Dr. M.S. Swaminathan is the current Patron-in-Chief while Shri N. Vaghul, Former Chairman of ICICI and Shri S.V. Mony Former Chairman of General Insurance Corporation of India are present patrons. What was started as a small school with few children has grown over the years and after thirty years today Amar Seva Sangam is a premier institution in the field of Disability Management in the country. The school which had only handful of children to start with in 1981 has now grown up as a good High School with 666 boys and girls, guided and taught by dedicated teachers. The Nursery School has a strength of 233 boys and girls - besides teachers and Ayas.

Smt. Sivasankari, the famous Tamil writer and Novelist, who made known almost to the whole world the good work done by Shri S. Ramakrishnan and her write-up in the famous and very widely circulated Tamil Weekly Magazine of “Ananda Vikatan” touched the hearts of millions of people in India and abroad who generously contributed in cash and kind to the growth of the organization appreciating the undaunted spirit of the disabled person, Shri Ramakrishnan in wheel chair, working for the cause of not only the disabled children but also for the downtrodden as a whole.

In 1992 **Shri S. Sankara Raman**, a practicing Chartered Accountant at Chennai, relinquished his lucrative practice and joined Shri S. Ramakrishnan and today he is the Chief Functionary of the Sangam. Both are visionaries with missionary zeal and have been meticulous in the planning and execution of various projects. They are aware that like corporate bodies, the Sangam should have perpetual life and have been working towards a tomorrow when, even in their absence, the good work started by them can go on continuously.

Amar Seva Sangam believes that the disabled people can contribute to society and the impression that they are to be sympathized and pitied is a misconception. Amar Seva Sangam feels that if they are enabled and are given a level playing ground, they can be as productive as anybody else in society. The Sangam’s ultimate aim is to empower the disabled and it is a process that will start from different entry level rehabilitation plans depending upon their age, socio economic background and the nature and extent of disability. Nobody will be kept in the campus for more than three to five years and they are discharged from direct rehabilitation intervention to integrate them with society and their family. Amar Seva Sangam believes that this area can become a valley where everyone is considered as human being and the disability is only a part of human diversity in nature’s creation. Equality should prevail and humanity is the ultimate winner.

The impact of the organization's activities is far and wide. We have raised our performance to prove to the people at large that disability is not a constraint but only a condition that is to be understood and lived with. The total number of persons with disabilities who have got direct rehabilitation since the inception of Amar Seva Sangam is 1102. The number of persons working in software industry in various metro cities is 9; the number of self employed is 147; the number of people pursuing higher studies is 78; the number of self advocating leaders in the community is 1020.

Today we have a Home for the Disabled Children, a school for Special Children, an integrated High School for both the disabled and abled, a Medical Evaluation Unit for the Disabled, a centre for Spinal Injured persons, separate hostels for boys and girls, Vocational Training Centre for making Note Books, a Typing Centre, a Tailoring Centre, Toys making centre and an Advanced Computer Training Centre. ASSA believes that mere rehabilitation without proper education is empty. Hence we stress importance for formal education and it is in this context that we have opened a Special Study Centre of Indira Gandhi National Open University (IGNOU) and also of Alagappa University. **Dr. S. Sumathi**, who is a Doctorate in Commerce opted for voluntary retirement after 27 years of teaching experience to join Amar Seva Sangam in 2002 and from then onwards she is incharge of Vocational Training Activities and the IGNOU and Alagappa University study centres at the Sangam. She is also incharge of the hostels.

All these were possible only because of the support of kind-hearted people like you and support of the Corporates. With your continued support we are confident of realizing our dream of establishing **"The Valley for the Disabled"** as a Rehabilitation and Development Centre for the region and developing models for self-help initiatives by integrating the disabled individuals with the society for improved living conditions in the village.

OUR ADVANTAGES:

- ❖ The organization is founded and run by physically challenged persons.
- ❖ Built a good team and infrastructure.
- ❖ Delivering quality and value added services.
- ❖ Operating at local, regional and national spectrums.
- ❖ Professionally run organization.
- ❖ ISO 9001 – 2008 Certification.
- ❖ Credibility Alliance Certified for Transparency.
- ❖ The Secretary is an Ashoka Fellow.
- ❖ Several State, National and International awards.
- ❖ 30 acre campus.
- ❖ Latest technologies.

Our future ambition is to establish a reliable performance monitoring system, preparation of HR Manual, establishment of internal management process, energy cost saving besides solving our water problem by installing a water recycling plant.

We solicit the continued patronage from all our well wishers.

ANNUAL REPORT 2011 - 2012

Amar Seva Sangam has completed thirty years of rehabilitation services to the differently abled with diligence and earnestness after a humble start in 1981. It gives us immense pleasure to record our activities during the year 2011-12.

The untiring efforts of Amar Seva Sangam in the last thirty years have been duly recognized by many not only in India but also abroad and today we can confidently claim that we are a leading institution in the field of Disability Management in the country.

1. The major highlights of the year are as under :

a) REC Project :

In our last Annual Report we have mentioned that the building construction for the “**REC Amar Seva Sangam Integrated Training and Development Centre for the Physically Challenged**” in our campus was nearing completion. We are very happy to inform that this Centre was inaugurated on 10th February 2012 by Shri P. Uma Shankar, I.A.S., Secretary, Ministry of Power, Govt. of India, New Delhi in the presence of Shri Rajeev Sharma, Chairman and Managing Director, REC Limited. This is our first major step for creating the “**Valley for the Disabled**”.

b) Awards and Recognitions:

1. **Seva Rathna Award** conferred on Shri S. Ramakrishnan, President by His Holiness Srimad Andavan Sri Ranga Ramanuja Maha Desikan Swamigal, Srirangam, on 10th April 2011 at Chennai.
2. **Chandar Award to Dr. S. Sumathi** by Vaaraahi Vazhibattu Sangam, Chennai on 25.09.2011.

3. **Mary Varghese Award** by Dr. Mary Varghese Award Foundation, Vellore to Shri S. Ramakrishnan, President for Excellence in Empowering Ability on 18.02.2012.
4. **IBN 7 Super Idols Award** to Shri S. Ramakrishnan, President, on 20.03.2012 by Shri Salmankhan at Mumbai.
5. **Award for Highest Fund Raising Duo** in Mumbai Marathon 2012 given to Shri S. Sankara Raman and Smt. Ramani Sankara Raman.

c) Helping hands:

During the course of last year many of our well wishers contributed liberally for our cause ; but for their help we would not have achieved such good results. As in the past, Handicare International, Canada, headed by Smt. Sulochana Krishnamoorthy was able to raise funds for us and also locate sponsors for our various causes. From a donation of Rs.6 lakhs in 1999 it has been gradually increasing year by year and during the year 2011-12 they have raised an amount of Rs. 67.20 lakhs and contributed

to ASSA. Till March end 2012 Handicare International had arranged a total contribution of Rs.240.05 lakhs to us. We wish to record here our grateful thanks to Handicare Intl. in general and to Smt. Sulochana Krishnamoorthy in particular for her untiring efforts to sponsor our cause. We shall be failing in our duty if we do not acknowledge and thank all donors who made contributions to Amar Seva Sangam through Handicare International.

Many organizations and individuals in India have liberally contributed for the rehabilitation and training

of the differently abled. Notable among them are Shri R.P. Krishnamachari of Tex bio-sciences, Chennai, Shri U. Sekhar of Galaxy Surfactants, Mumbai. There were many donors who liberally contributed for the welfare of Amar Seva Sangam.

All the above contributions have definitely increased the number beneficiaries which was the result of enhancing and strengthening our services to the differently abled and rural poor. We solicit the continued support of all our well wishers to serve more and more deserving persons with disabilities.

OUR ACTIVITIES

2. Institution Based Rehabilitation

2.1 Rehabilitation

2.1.1. Home

Children from the age of five to twelve are provided with free shelter, food, clothing, transportation, medical aid and appliances in the Sangam's Nursery / High School or for higher education outside the campus. They are also given special coaching.

S. No	Stages	Cumulative upto 31-03-2011	2011-12	Total upto 31-03-2012

1.3	New Entrants	20	11	31
1.4	Discharged	4	7	11
Total	Under Residential Care at the end of the year	63	55	118

Sl. No.1.2 and 1.4 who have been transferred to 'Village based Rehabilitation Programme' or discharged continue to receive extensive support from the Sangam

2.1.2. Sangamam School for Special Children (Day Care Centre)

"SANGAMAM" School for Special Children (Day Care Centre) was started fifteen years back in 1997 with only nine children. Handicare Intl., Canada - one of our major donors, raised funds for the construction and a full-fledged school which was inaugurated in 2008. Special children who need individual and particular care are brought to the School by Sangam's vehicle. While at School, they are trained in daily living activities, behavioural science, self-care, learning capacity by familiarizing them with reading / writing and speech apart from

vocational skills. Besides physiotherapy and additional health care requirements the children are also provided with free nutritious lunch, biscuits and milk.

”**Special Needs**” is an umbrella underneath which a staggering array of diagnoses can be wedged. Children with special needs may have mild learning

disabilities or profound cognitive impairment; food allergies or terminal illness; developmental delays that catch up quickly or remain entrenched; occasional panic attacks or serious psychiatric problems. The diagnoses is useful for getting needed services, setting appropriate goals and gaining understanding for a child and stressed family.

2.1.4. Medical Evaluation Unit for Disabled (MTU)

The Medical Testing Unit was setup in 1998 with aid from the Government of Japan. As a nerve centre MTU is extensively used by the families of the challenged individuals. This very important unit is very popular and we have a separate section for new born babies who may need physiotherapy attention right from the early stages. The centre's approach is modern and uses items like soft mattresses, mirrors, specific play materials for the children apart from new

rehabilitation techniques. All the facilities extended to the users are free of cost. The results are highly encouraging which is evident from the following table which shows the number of patients coming to the centre and the number of services attended by the centre. We are starting a separate Early Intervention Centre shortly. The building construction is progressing and we hope to commission the Centre early next year.

2010 - 2011	737	35237
2011 - 2012	736	30838

2.1.5. Spinal Cord Injured Post-Acute Care Centre (KANCHI BLOCK)

The Spinal cord injured post-acute care centre was started in 2007. The patients are from all over India. The centre has become very popular and we have a long waiting list of nearly 100 people from different parts of India for admission in the centre.

Year	Total no. of Inmates as on 1 st April	Discharged	Total no. of Inmates as on 31 st March
2009 -2010	14	4	10
2010 - 2011	21	11	10
2011 - 2012	22	11	11

The total number of patients admitted, treated at Spinal Cord Injured Post-Acute Care Centre and discharged so far is 33.

Success Story

Mr. Karthick Vasan is a case of cerebral palsy with severe contracture and deformity in both legs. He used to fall down frequently because of his poor trunk balance. He underwent surgery for his tight ankle which was the cause for his frequent fall. After the surgery, followed by intensive physiotherapy, now he has gained trunk balance and is able to walk with the support of a static walker with less fall.

The Rehabilitation process for the Spinal Cord Injured Patients is a long one extending to many years. Based on the improvement of any patient during his stay at the centre, vocational training is also imparted. Follow-up of discharged patients is also undertaken at the centre. Based on our work and expertise we are striving hard to get recognition for this centre as one of the best maintained spinal cord injured Post-Acute Care Centres in South India. The main aim of the centre is to instill a sense of confidence in the

patient that notwithstanding the fact that he may not have been fully cured he returns back to some sort of near normalcy so that he will be able to look after himself either on his own or with assistance. A multi-gym, an essential facility for treatment at this centre to strengthen muscle, is also being extensively used. We also conduct a Get-together programme for Spinal Injured Patients – both undergoing treatment and also those who have already been discharged.

2.1.6. Hostel

Hostel occupancy

Year	DYTS*	PAC**	Guardianship	On Job Training	Total
2009 - 10	39	3	5	2	49
2010 - 11	30	3	4	3	40
2011 - 12	45	5	2	1	53

* Disabled Youth Trainee Students

** Post Acute Care Centre

So far 20 students were discharged out of whom 11 (55%) have been employed and 1 (5%) student is pursuing higher education. 8 Students are staying at home.

Status of discharged Disabled Youth Trainees is : male 14, female 6. Year after year, there is a decrease in the occupancy rate of the Hostel; this is due to the fact that a large number of hostel inmates gradually move out and proceed for regular jobs outside. The placements are encouraging.

2.1.7. SSA-IED (Sarva Shiksha Abiyan)

This is a Central Government scheme for the welfare of both normal as well as physically/mentally challenged people. Amar Seva Sangam, being a

well established NGO in the field of disabled sector, has been entrusted with running this scheme. Under this scheme we have been allocated seven Blocks of Tirunelveli District.

2.1.7.2. Day Care Centres

- A total of five Day Care Centres are functioning in five blocks, viz. Tenkasi, Shencottah, Kadayanallur, Alangulam and Vasudevanallur (one in each block) of Tirunelveli District. These blocks are functioning well and the progress of the children is monitored periodically and proper guidance and follow up are given.
- In August 2010 a **Special Residential Bridge Course** was started with 40 inmates. Presently this is functioning inside the campus.

2.1.8. Vazhikaattum Thittam (Formerly known as NPRPD)

This programme of the Government of India aims at ensuring all aids and appliances, scholarship, etc. donated by the Government reach the grass root levels. ASSA has been assigned six blocks which covers 6 WODAP and 126 WWDAP. The total number of beneficiaries under the various categories like grants, Tri-cycle and wheel chair, Niramaya Health Insurance, Hearing aids, bus and train passes, caliper and crutches, tailoring machines, etc. during the year 2011-12 was 2,177 as against 3,945 during the previous year.

Maintenance grants are provided through this scheme for Persons with Mental Retardation/ Cerebral Palsy.

2.1.9. Pudhu Vazhvu Thittam (formerly known as Vazhnthu Kattuvom Thittam)

Amar Seva Sangam continues to be the Block Disability Facilitating Agency for this project which is run by the Government of Tamilnadu with the assistance of the World Bank. This project was promoted with a view to reduce poverty of the very poor, disabled and vulnerable people and tribal communities. The objective of this project is to reduce rural poverty by focusing on the poorest of the poor through sustainable support for productive activities and investments, using the community-driven development approach.

Amar Seva Sangam was selected as the implementing agency in view of the vast experience it had gained in upliftment of the physically challenged and vulnerable people from all walks of life both urban and rural besides extensive exposure in Village Based Rehabilitation programmes. Three Blocks of Tirunelveli District have been assigned and we are applying the cluster approach for successful results.

The total number of beneficiaries under the various schemes like participants in the assessment camps, issue of National ID cards, old age pension, maintenance grant, seed money, revolving fund, etc. for the year 2011-12 was 1016.

2.2. Vocational Trainings

Amar Seva Sangam, apart from rehabilitation activities also provides Vocational Training in Tailoring, Toy making, note-book binding, Typewriting and advanced Computer training for the disabled youths. Many trained youths have been selected by leading software and other manufacturing organizations and are getting good salaries. The number of self employed is 147. The number of people pursuing higher education is 78

2.2.1. Tailoring / Toys / Paintings, etc.

The Tailoring section was started in 1999 with only four physically challenged students. Till 2006 this section was only a tailoring training centre. There has been a considerable increase in the flow of orders for uniforms from schools / organizations in the last few years. During the year 2011-12 this section fetched about Rs.23.41 lakhs for uniforms supplied as compared to Rs.25.58 lakhs during 2010-11. As a result of intensive training given to both normal and physically challenged, 10 physically challenged persons have now become full fledged tailors. Apart from the requirement of Sangam's uniforms this section stitches and supplies uniforms to many schools and organizations. Last year many new organizations have covered their requirement

of uniforms from this section. Because of our quality workmanship and prompt delivery we are sure that we shall get substantial order during the current year.

The handicraft centre makes toys, artificial jewellery, painting on fabrics, ceramics, sarees, glasses, stoneware and other items. The centre is always upgrading its quality, bringing out

innovative designs which are always in good demand. During the year the staff have also been trained in textile printing with a view to procure orders for the growth of this centre.

This centre also prepares all the mementos the Sangam presents to various visitors besides taking orders of the visitors who are impressed by our work.

The Tamilnadu Government conducts the above examinations twice a year - August and February. Recently the Government of Tamilnadu had made it obligatory that passing the senior grade typing examination is necessary for data entry jobs both in Government and private sectors. Due to this ordinance many data entry aspirants nowadays join the senior grade typing classes.

2.2.5. Computer / Information Technology

During 2011-12 the strength in all the courses was satisfactory. Due to the fact that advanced hardware is available and because of effective marketing efforts the strength has increased during 2011-12. Experienced staff are taking classes for the various courses. As usual the physically challenged students continued to receive free computer training.

The following table shows the various courses offered and students enrolled for the new courses during the year.

Only 37% of the total persons who utilized our library in 2010-11, continued to take advantage of our library during the year 2011-12.

2.3.3. Indira Gandhi National Open University Special Study Centre

The IGNOU Special Study Centre started in the year 2000 continues to attract many students. This is evident from the fact that 56 students completed their studies in 2011-12 as against 16 in the previous year. The number of students on rolls as on 31-03-2012 was 93.

2.3.5. Education for Empowerment

As part of our educational initiatives we have

1. Special Study Centre for IGNOU and Alagappa University for distance education.
2. Tie up with Bhoj University for training programmes and Rehabilitation Council of India for the rehabilitation of the disabled.
3. Tie up with Madras Management Association (MMA) for conducting training programmes of short durations for various soft and management skills.

The purpose of the above programmes are:

- To educationally empower the persons with disabilities in an integrated environment.
- To offer skill development opportunities.
- To identify and develop persons with entrepreneurial aptitudes and social orientations with capacity building inputs.
- To build capacities in persons already engaged in social sectors and to bring out educated and empowered people – both disabled and non-disabled for the benefit of society.

3. Village Based Rehabilitation Initiatives (VBRI)

Under our community based rehabilitation programmes we involve Persons with Disabilities and the community in the rehabilitation process and develop a model whereby they own the responsibilities of rehabilitation, economic development and care giving and take forward the initiatives of the facilitating organization. Vibrant and proactive disabled groups have been developed and parents associations have been formed. As on date

seven Respite Centres have been formed for lifelong care giving for the severely and permanently disabled persons. As on 31-03-2012 there were 334 Self Help Groups. Under our VBRI we cater to the needs of nearly 14,000 disabled in 9 blocks of Tirunelveli Dist. covering nearly 800 villages with a population of about 17 lakhs. The main objectives of the community based rehabilitation services are:

- * Sensitizing the community, families and persons with disabilities about disabilities.
- * Promoting the Self Help Groups for development and forming Federations – wider level networking.
- * Organizing People with Disabilities into Self Help Groups.
- * Initiating comprehensive rehabilitation measures.
- * Enabling the PWDs to access various government schemes.
- * Promoting advocacy work and campaigning for the protection of rights and equal opportunities for PWDs.
- * Strengthening the human resource for the effective implementation of the process.

The entire activity is managed through periodical co-ordination meetings, planning, budgeting and internally developed reporting systems. Key indicators are developed for impact and activity levels are monitored through a system of computerized managerial information. Databases have been created for various rehabilitation programmes and individualized rehabilitation programmes are followed up by the central resource personnel of Amar Seva Sangam and course corrections done wherever required.

5. Computerisation

Amar Seva Sangam has always given high priority to computerization:

Management Information Systems (MIS) / Hardware Solutions:

1. Certain initiatives have been taken for Closed Circuit TV so that quality surveillance is maintained.
2. New initiatives were taken to track the donation receipt status so that the donors are served speedily and also the donor queries are attended without any delay.
3. Efforts are underway to bring in strong MIS system by integrating various standalone modules already being used.
4. A new versatile server was added to our MIS during the year

Mumbai Marathon 2012 this section played a major role in coordinating between the Sangam and our Public Relations Officer at Mumbai besides launching an effective campaign for donations. Right from online registration of our Sangam for participation in the marathon till the marathon day this section has been doing an aggressive email marketing of BIBs besides periodically sending appeals for donation through Dandora. These have yielded very good results and during Mumbai Marathon 2012 we were able to raise a highest amount of Rs. 31.0 lakhs against our target of Rs. 30 lakhs. This is our highest collection in Mumbai Marathon since our participation.

Data Base Management (DBMS):

This section was very effectively utilized for fund raising programmes during the year 2011-12, During

DBMS is also responsible for effective control of consumables for our kitchen.

6. Exchange Programmes

Visits by Overseas and Indian Students:

Messrs. Teaching Abroad continued to depute through their contacts abroad general public and students to visit us with the aim of extending voluntary help and at the same time gain valuable experience, knowledge about us besides also understanding

Indian culture. They are one of the sources through which ASSA's image is projected abroad. During the year a total of 25 Volunteerfs from Australia, Belgium, Canada, Denmark, England, France, Germany, Italy and Japan came to the Sangam and helped the Home Children.

7. Management Programme

As in the past the ASSA continues to train students aspiring to take up CA/ICWA/CS. Many candidates join the above course and get benefitted. This is also a source of additional revenue for ASSA.

8. Advocacy

World Disabled Day was celebrated in a grand manner by ASSA on 03rd December 2011 at Kadayanallur.

9. Networking of NGO

- 9.1. M/s. Add India, Bangalore fully support us in imparting training, exposure visits, etc. to all the staff and members who are associated with and work for the Village Based Rehabilitation activities.
- 9.2. M/s. Vidyasagar, Chennai are the main benefactors in providing all help to the mentally challenged/ill persons who approach the Sangam.
- 9.3. M/s. Krishna Yoga Mandiram, Chennai continue to impart YOGA lessons/techniques to special children, physically challenged Home children and youth trainees.
- 9.4. Dr. R. Sundar, Managing Trustee of Freedom Trust who is also the visiting doctor from Chennai to our Sangam continues to extend all help to our Sangam by donating wheelchairs, Tricycle and other appliances to the needy who are covered under our various rehabilitation schemes.
- 9.5. Gandhigram Trust, Dindigul, is a conglomeration of several benevolent and service units which extends their help and cooperation to us in many ways for our betterment. They hold meeting with us, organize visits and give valuable inputs which have all helped us to carry out our service in a more satisfying and rewarding manner.
- 9.6. All our efforts and pride moments have been possible only due to the continued and unflinching support and blessings of well wishers, donors, institutions and staff who have always been with Amar Seva Sangam during good as well as difficult times. We continue to look forward to the support of one and all.

10.4 Mumbai Marathon 2012 :

Mumbai Marathon 2012 was a grand success for us. As in the past, the Secretary participated in the Wheel Chair event and Smt. Ramani Sankara Raman in the Dream Run category of Mumbai Marathon on 15th January 2012. Nearly 40 people participated in the Run to raise charity for Amar Seva Sangam. As years progress, our image is getting projected more and more amongst the Mumbaites and now many people are familiar with our activities. We exceeded our target of Rs.30 lakhs. At a colourful ceremony in Mumbai on 28-03-2012 Shri Sankara Raman and Smt. Ramani Sankara Raman were awarded a trophy for the **Best Fund Raising Duo in Mumbai Marathon 2012**. It is expected that more than 60 persons will run in the Mumbai Marathon 2013 edition for our target of about Rs.45 lakhs.

10.5 Diary Project :

The Diary project started in 2001 is a source of fund raising. Consequent to the untiring efforts of Public Relations Souvenir Diary Department, we were able to rope in more customers for the diaries and calendars. Due to steep increase in the cost of paper, the prices of diaries have gone up. However, our team was able to achieve our target. Our Souvenir Diary is a prestige diary and the sale of this diary is picking up year after year. This year we also supplied calendars to many organizations – big and small. During 2011-12 this department was able to raise Rs.16.73 lakhs as against Rs.16.6 lakhs during 2010-11. For the current year we hope to achieve a target of Rs.21 lakhs.

AUDITOR'S REPORT

We have audited the attached Balance Sheet of AMAR SEVA SANGAM, SULOCHANA GARDENS, 7-4-104 B, TENKASI ROAD, AYIKUDY – 627 852 (hereinafter called Trust) as at 31st March 2012 and also the attached Income and Expenditure Account for the year ended on that date annexed thereto. These financial statements are the responsibility of the Trust Committee. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

1. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of the audit.
2. In our opinion, proper books of accounts as required by Trust Act and Rules thereunder and Bye Law of the Trust have been kept by the Trust which give all information required by the Act in the manner so required.
3. The Balance Sheet and the Income & Expenditure Account dealt with by this report are in agreement with the books of accounts of the Trust.
4. In our opinion and to the best of our information and according to explanation given to us, the said accounts give all the information required by the Trust Act and Rules therein in the manner so required and give a true and fair

i. In the case of Balance Sheet of the state of affairs of the Trust as at 31st March 2012

ii. In the case of Income and Expenditure Account of the excess of income over expenditure (Surplus) of the Trust for the year ended on the date.

NOTES ON ACCOUNTS

1. Significant Accounting policies

a) Trust Overview:

Amar Seva Sangam was incorporated in the year 1981 as a Charitable Trust registered under Tamilnadu Societies Registration Act, 1975 vide certificate no TSI 16/1981 as a model center catering to all the needs of the disabled.

b) Basis of preparation of financial statements.

The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting and comply with the Accounting Standards issued by the Institute of Chartered Accountants of India to the extent applicable. The financial statements are presented in Indian rupees.

c) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

d) Fixed assets and depreciation

Fixed assets are carried at cost of acquisition less accumulated depreciation. The cost of fixed assets includes freight, duties, taxes and other incidental expenses relating to acquisition.

Depreciation is provided on the written down method as per the provisions of Income tax Act 1961.

e) Inventories

Inventories are carried at the lower of cost and net realisable value.

Cost comprises purchase price and all incidental expenses incurred in bringing the inventory to its present location and condition. The method of determination of cost is as follows:

- ❖ Finished goods - at landed cost on a first in first out method
- ❖ Stores and spares - at landed cost on a first in first out method

f) Retirement benefits

Contributions payable to the recognized provident fund, which is a defined contribution scheme, are charged to the profit and loss account. Gratuity and leave encashment costs, which are not under defined benefit schemes, have not been accrued in the books by way of any provision.

g) Revenue recognition

Donations are accounted on cash basis. Earmarked and specific donations are accounted appropriately in the books and the same is utilised for the purpose for which it is received. The funds received on account of non-earmarked / general will be used as per the discretion of the Trustees.

Interest on deployment of surplus funds is recognized using the time proportionate method based on underlying interest rates and the same is taken to specific earmarked funds, wherever mandated by the donor. In all other cases it is taken to revenue.

Interest Income are recognized in the books separately and disclosed as Income separately for non earmarked funds.

h) Foreign exchange transactions

Foreign currency transactions are recorded at the rates of exchange prevailing on the dates of the respective transaction.

i) Provisions and contingent liabilities

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e., contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

j) Investment

The Investments are recorded in the books at cost and fixed Deposits at the end of each year include accrued interest in case of deposits deployed under Reinvestment plan.

2. Capital commitments and contingent liabilities

Description	31 st March 2012 in Rs.	31 st March 2011 in Rs.

12. General

12.1 Foundation For Excellence (FFE) INC, Mumbai

This is yet another philanthropic activity monitored and coordinated by Amar Seva Sangam. During the year 2011-12, twelve financially backward but outstanding students studying in different higher secondary schools, colleges and polytechnics including professional colleges were awarded financial assistance extended by Foundation For Excellence, Mumbai.

12.2 Media Coverage:

One of the main strengths of the organization has been the wide coverage it has received through the newspapers, TV, Radio, books, journals and magazines. Year after year the coverage is expanding. During the Mumbai Marathon 2012 Amar Seva Sangam's image was widely projected by local TV channels at Mumbai and in local newspapers - both English and vernacular.

WORDS OF ENCOURAGEMENT

I am extremely delighted and blessed to have visited this Divine place where Shri Ramakrishnan and his team of devoted people are doing great service to humanity. Service of God's children, the special kids. As this was a divine opportunity for me to come here. I wish all the Glory and Success to this sansthan in their Mission.

WILLOR: The first Dr. Mary Verghese Award for Inspiring Ability has been given to S. Ramakrishnan, founder and president of the Amar Seva Sangam. It was instituted by the Dr. Mary Verghese Award Foundation, set up in memory of Dr. Mary Verghese, an alumnus of Christian Medical College (CMC), Vellore, and founder of the Rehabilitation Institute of the CMC at Bangalore.

Mr. Ramakrishnan, a paraplegic (person paralysed below the neck), was honoured in recognition of his contribution to the cause of physically challenged persons across India and the fact that he is an inspiration and role model to others through his constant striving for excellence, underpinned by integrity, transparency and humility.

Suranjan Bhattacharya, Director, Christian Medical College, presented the award at the Rehab Mala, an annual conference of per-

sons with spinal cord injury, at the Dr. Mary Verghese Institute of Rehabilitation at Bangalore on Saturday. John Samuel, a paraplegic and patient of the Rehab Institute, currently employed with the Tamil Nadu State Transport Corporation, Tiruvananthapuram, road and presented the citation.

The foundation was started a couple of months ago for instituting an annual award that will be given every year to a person or organisation doing outstanding work in empowering ability in physically challenged persons.

The Amar Seva Sangam at Aykud near Tenkasi is into its 30th year of service.

The citation presented to him stated that Mr. Ramakrishnan had managed to transform an organisation from its humble beginning to its present multi-faceted dimension.

Mr. Ramakrishnan was paralysed after he fell from a height during the naval officer selection interview in 1975.

Online tickets for disabled people soon

Mahendra Kumar Singh | TNN

New Delhi: Soon, disabled people can book rail tickets online at concessional fares that they are entitled to.

At present, disabled people have to go to railway reservation counters to book tickets if they want to avail the fare concession.

"The railway board is ready with the plan to facilitate online ticket booking for its special passengers," a senior official said.

The plan is to issue identity cards with specific numbers to each person, which will be built into the computerized passenger reservation system across the country. The move came after the board received complaints from disabled passengers and social activists.

OUTLOOK FOR THE CURRENT YEAR

Fund raising continues to be our top priority because of our developmental activities. Mumbai Marathon and Corporate networking both at Mumbai and Chennai continue to be potential areas for raising funds. The target for non-corpus fund mobilization for the current year is Rs.2.75 crores.

- ❑ The new block of tailoring section will be inaugurated early in 2013.
- ❑ The Vasudeo Ganesh Kulkarni block for housing the school library was inaugurated on 2nd September 2012. This Building was donated by Shri Mukund Kulkarni, Kolkatta.
- ❑ The construction of one more block for the High School donated by Handicare Intl., Canada has been constructed for accommodating the school laboratory and additional class rooms. This building will be inaugurated early 2013.
- ❑ Action on the much needed Water Recycling Plant has been initiated and the job of installing and commissioning the toilet linked Bio Mechanization Plant have been entrusted on turn key basis. This plant is funded by Messrs. R.K. Powergen, Chennai.
- ❑ We are planning for production and income generating activities by forming a new Trust viz. The Amar Foundation so that the income-tax and other statutory related issues are resolved without affecting Amar Seva Sangam's status as a tax-free entity. It will also help Amar Seva Sangam to continue to enjoy the benefits of 35AC and 80G without any hindrance.
- ❑ The Amar Institute of Rehabilitation Science was inaugurated inside the campus on 2nd September 2012. The Rehabilitation Council of India's recognized courses, viz. Diploma in Mental Retardation and Community based Rehabilitation were started during this academic year. The admissions are encouraging. This will help getting enough qualified rehabilitation professionals for the service of the disability sector. The students will have very good employment opportunities – both in Amar Seva Sangam and elsewhere. The much sought after Certificate Course on Care giving has also been started under this aegis. Efforts are underway to get B.Ed. in Mental Retardation from the next academic year. The entire programme is now being managed by Amar Institute of Rehabilitation Science which is now a newly created unit of Amar Seva Sangam.
- ❑ The Early Intervention Programme was launched on 2nd October 2012 and already 24 children under the age of 5 are getting rehabilitated. Two new extension centres in Alangulam and Oothumalai were also started on 5th October 2012 and 11 children are under rehabilitation. These centres will help the parents managed Respite Centres and also the Early Intervention programme. The long felt necessity viz. The Early Intervention Centre to diagnose possible disability in the new born babies is under construction. The building which is funded

by Handicare Intl., Canada will be put to use before the end of March 2013. Several physiotherapists and special educators in mental retardation and speech therapy are being recruited for this purpose. About 200 children under the age of five will be benefitted during the coming year.

- ❑ Getting well qualified professionals in the area of Occupational Therapy, Speech Therapy, ortho technicians and social workers continues to be a major challenge. In-campus accommodation for such professionals needs to be planned for getting them to serve Amar Seva Sangam.
- ❑ A reliable performance monitoring system is being established. Self-appraisal system has been introduced whereby performance-based increments are given.
- ❑ Preparation of HR Manual is in progress and will be completed before the end of the current financial year.
- ❑ The Internal Management process is being pursued. It is proposed to conduct monthly meetings with the Secretary and the Working Committee for co-ordinated efforts with respective sections across the organization.
- ❑ Since the initial investment for solar energy is high, energy saving lighting arrangements with LED lights are being considered as an alternative.
- ❑ Open well project and drip irrigation and check dam are under the active consideration of the management.

Conclusion

Amar Seva Sangam has completed thirty one years of meritorious service towards rehabilitation of the differently abled. From a humble beginning in 1981 it has today grown as a premier institution in the field of Disability Management not only because we were able to adjust ourselves to demanding situations but also because of the guidance of our Patron-in-Chief, Dr. M.S. Swaminathan and the other patrons Shri N. Vaghul and Shri S.V. Mony besides the support of Executive Committee members, General Body members, Advisory Board members, past ex-officio Chairmen, etc. We are grateful to all government officials. We are indebted to all our Volunteers both in India and abroad who are helping our Sangam and adding glory to it from behind the scene. Our thanks are also due to Messrs. Sankar of SIES, Kumar and G. Ramakrishnan of Galaxy Surfactants (all from Mumbai), Hema Ganesh of Delhi, Ramachandra and Nalini of Pune, Shanthi Balasubramanian and Anantharaman (both from Chennai), Mukund Kulkarni from Kolkatta, etc. We shall be failing in our duty if we do not thank Smt. Sulochana Krishnamoorthy of Handicare International, Canada, who has been constantly endeavouring to raise funds for our various activities. Our thanks are also due to our Statutory Auditors, Legal Advisors, Consultants, Doctors, etc. Our special thanks to The Tamilnad Mercantile Bank Ltd. Thoothukudi and Messrs.G.R. Thangamaligai Jewellers, Chennai, who have been consistently supporting us in bringing out the Annual Report. Last but not least, our thanks are due to our hard-working staff who continue to put their heart and soul in discharging their duties towards achieving our goal, viz. establishment of the "Valley for the Disabled". It is with pride I record here that our staff have given wonderful co-operation in our endeavour to implement various HRD programmes and also closely following the norms set by ISO.

"He who struggles is better than he who never attempts"

"They alone live who live for others"

"He who has no faith in himself can never have faith in God"

"Men mark when they hit; but not when they miss"
