a wonderful NEW YEAR!!**

**If we could wish a wish for you,
it would be for peace and happiness not only now,
but for the whole year through!**

**We wish that there always be food on your table
and that you always remember those less fortunate.
May you always take time to share, and thank those who
share with you.**

**May you never feel lonely,
because there are those who care.
That you realize: you are special,
you are unique, you make a difference,
not only to so many who are less fortunate but it is because of
you that they have food, shelter and the much needed
therapy care!**

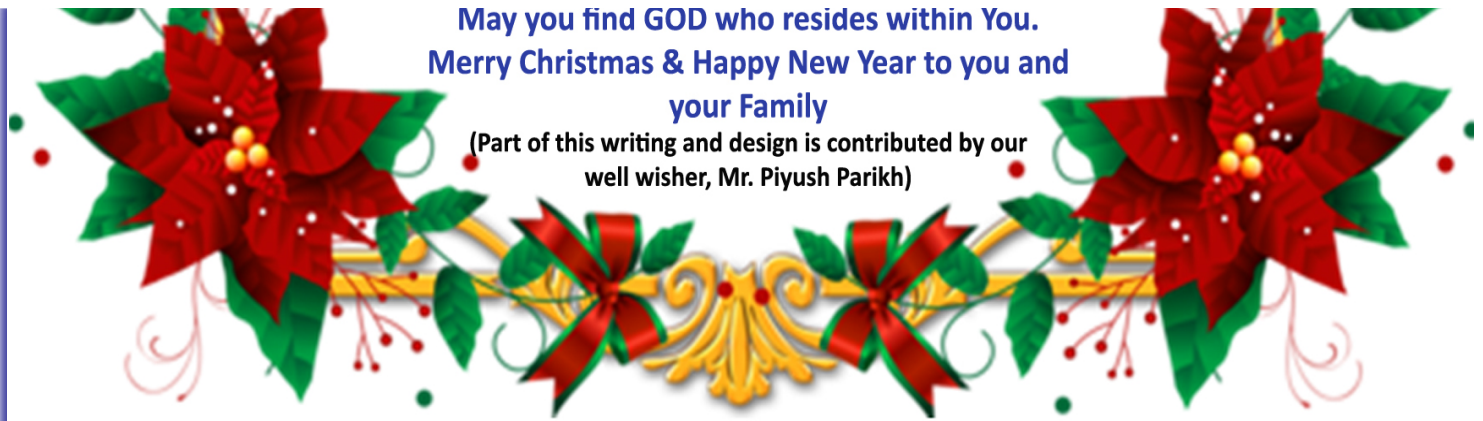

**We wish to share a great news with you !!

for all your donations towards the "Early Intervention"
