Height/Weight	133 cm / 35 kg	
Exercises Given	Appliances Given	Physical Progress
Yoga Training	Hearing Aid	Physical Normal

Half Yearly Report

Name of the School	Sangamam School for Special Children
Class	No specific class – She is grouped with children of comparable ability
Report Period	Jan 2007 – June 2007
Extra Curricular Activities	Dance Programming Painting, Gardening
Strengths	Thavamani is currently able to eat, drink, brush her teeth, bathe and dress independently. Her communication includes the ability to understand single question and respond appropriately using full sentences. Thavamani is also able to follow basic instructions and can play effectively with children in her age group. Current conceptual understanding includes the ability to identify common objects; such as fan, cat, door and table; animals, such as cow, cat and goat; and birds, such as crow, hen and parrot. Thavamani can also identify circles and the colors red, green and yellow, and is able to classify objects as being either big or small. Finally, she is able to write her name and numbers up to 20.
Management Plan	Thavamani has been integrated into the regular school system and is now in the fourth grade. Her teachers remark that she has been progressing well, requiring only one week per concept to be attained. Long-term goals include teaching the concepts of money and time and improving her ability to add and subtract. Thavamani's parent is also receiving counseling from Amar Seva Sangam.
Progress Report	She is in the 4 th Grade.
