

1. Name of the Student : Rangeela alias S. Ramu
2. Date of Birth : 05-06-1999 (7 years)
3. Educational Standard : L.K.G , ASSA Nursery School
4. Date of admission in home : 09-06-2006
5. Parents House Address : D/o. Selva Raj, No.25, Middle Street,  
Moolachi, Pottal Ambai (Tk)  
Tirunelveli (District), Tamil Nadu
6. Family Background : Parents are coolie workers. Poor income family.
7. Nature of Disability : Cerebral palsy with Mild MR
8. Parts of the body affected : Both hands and legs.

Functional level

- |                             |                                 |
|-----------------------------|---------------------------------|
| a) able to do independently | a) Brushing, eating, drinking , |
| b) able to do with support  | b) Toileting and Bathing        |
| c) Not able to do           | c) Standing, walking, dressing  |

9. Mobility : On wheelchair
10. Appliances used : Splints for both legs and wheelchair
11. Educational performance : Fare
12. Percentage of disability : 100% (as per as National ID Card)
13. Rehab offered at ASSA : Rangeela gets training in all aspects of personal care, social behavior, speech therapy, physiotherapy, walking exercises, occupational therapy and schooling.
14. Anticipated progress : As with similar cases, Rangeela's progress will be slow but steady. Since she has Cerebral Palsy, she probably will not be able to fare well in school and she has to be trained to adapt to living under someone's care. She can progress reasonably in walking, speech and other daily routines.
